

2019 TREE OF LIFE

THE TRADITION CONTINUES

Started by SCCS in 2013, with creative support from Lloyd Appell & Marian Steffens

About one-third of the residents who live in South County have difficulty meeting basic needs on a regular basis. All the money raised in the annual TREE OF LIFE is used to provide direct assistance and support during the holidays and throughout the months ahead.

We now serve more families than ever  your generosity is appreciated!
