

September 23rd, 2020

Dear South County Family,

Generous Hands and South County Community Services will once again be partnering to support our families during the upcoming holiday season.

Due to COVID-19, **we will NOT be celebrating together this year.** We will not have any holiday celebrations and will instead be delivering gift bags (contents TBD) to all families.

Due to concerns with shopping and packing in groups, **we are asking anyone who is able to request gift cards on their registration form.** This will make it easier for us and for the churches that we partner with. If you are unable to shop on your own, please give us a detailed description of the gifts for each family member (\$30 apiece) and sizes if applicable.

Families with school age children who return their registration forms by the October 26th deadline will be eligible for holiday gifts for the children when they are adopted by church groups and other community groups in our community.

We will not be confirming via phone or mail this year and will instead be contacting you in mid to late November to schedule pickup/delivery of gift cards, food certificates, and gift bags.

This will be an odd year, but there is still joy—and joy is not meant to be a crumb!
